# A LETTER FROM THE OWNER

To my incredible Dance Dimensions Family,

As the season draws to a close, I find myself reflecting on the incredible journey we have shared at Dance Dimensions over the past eleven months. It has been a year filled with creativity, growth, and remarkable achievements, and I am deeply grateful to each one of you for being a part of this extraordinary experience.

From our youngest beginners to our most seasoned performers, the passion and dedication displayed by our students have been truly inspiring. We have witnessed countless moments of artistic brilliance, whether on stage, in the classroom, or behind the scenes. Your hard work, enthusiasm, and unwavering commitment have made this year unforgettable.

Highlights of our year include The Winter Extravaganza and of course our end of the year BRAVO Performance. These events not only showcase the incredible talent within our studio but also brought our community closer together. The support and camaraderie among students, families, and staff have been the cornerstone of our success.

I would also like to extend my heartfelt thanks to our exceptional team of instructors and staff. Their expertise, creativity, and dedication have been instrumental in nurturing the potential of every student. Their passion for the arts and commitment to excellence have set the standard for our studio, and I am immensely proud to work alongside such a talented and caring group of individuals.

Looking ahead, I am filled with excitement and optimism for the future. We have many exciting plans in store for the coming year, including our second annual Winter Extravaganza, Triple Threat Club and Dance Dimensions Company's newest season. I am confident that, together, we will continue to reach new heights and create even more magical moments.

Thank you once again for your unwavering support and for being an essential part of the Dance Dimensions family. I wish you all a joyous summer season and a prosperous, inspiring new season. Let's continue to dream big, work hard, and make beautiful art together.

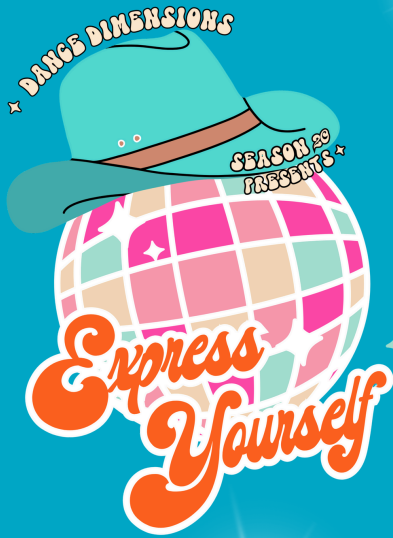

I want to give a special thank you to all the back stage volunteers and to my incredible staff. Your dedication behind the scenes has ensured that everything ran smoothly. This recital would not have been possible without your hard work and unwavering support.

Thank you to my mom and dad for all the ways you have supported, encouraged and loved me and the studio. I appreciate you both more than words. And lastly, thank you Madison, for helping me keep this ship afloat. I couldn't do it without you.

With gratitude and warmest wishes,  
Sydney Jones

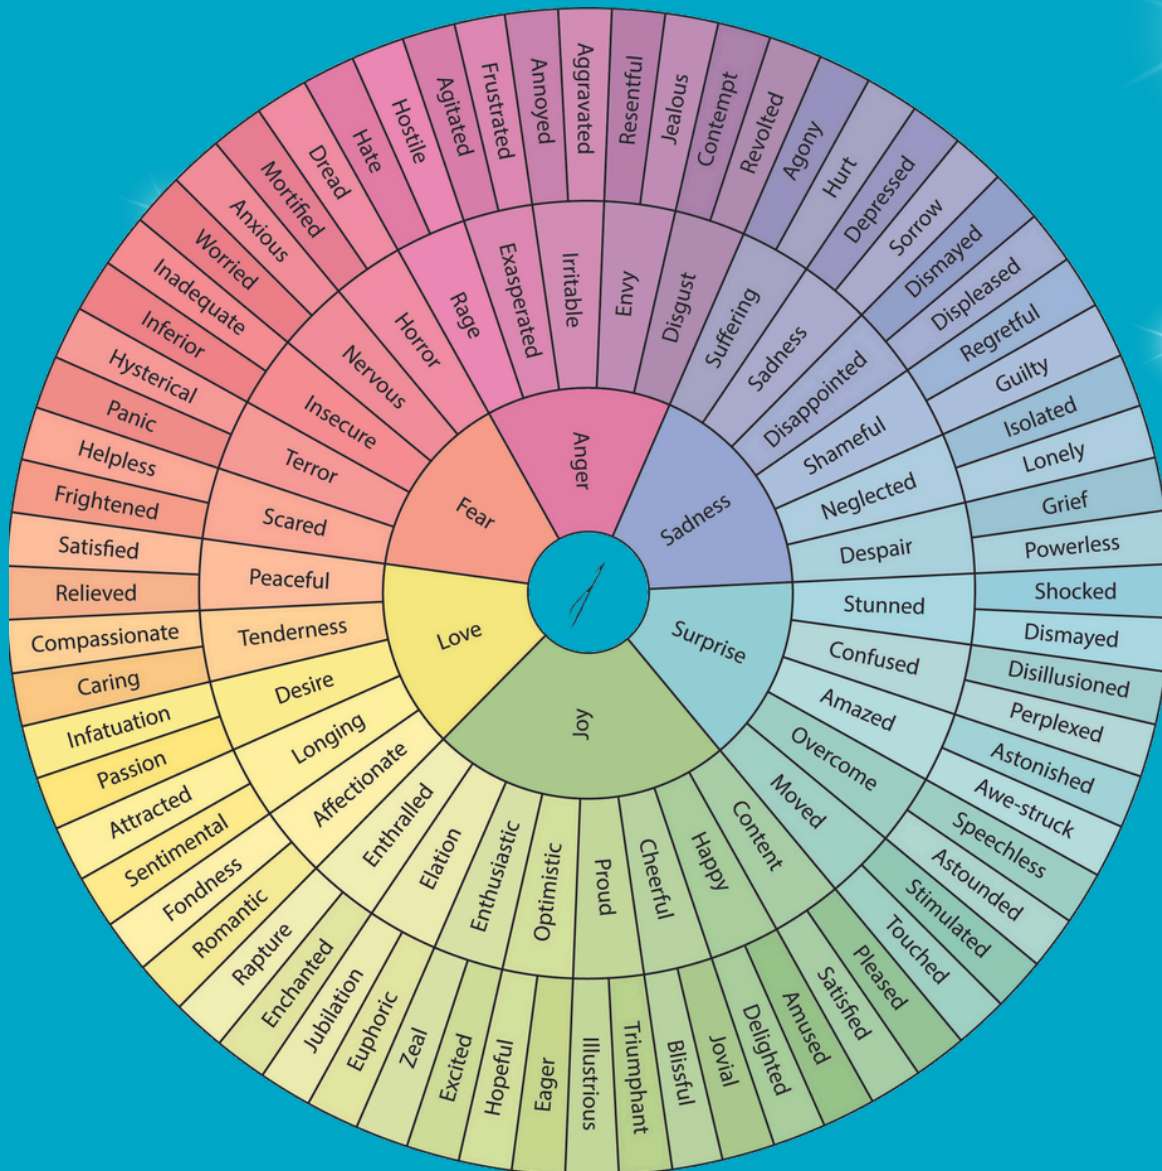

# Express Yourself

About this season's theme:

In the theme of "Express Yourself" we are teaching the dancers to use dance as a form of expression for emotions and to tell a story with their movement. We have been using an Emotion Wheel in each dance space, to explore various emotions with our dancers and teach them how they can use dance/movement/music to express themselves. This Bravo recital will have segments of dance routines with different emotions conveyed throughout the evening, each one is listed under the dance routine in the show order and will be introduced on the screen before each dance begins as well. We hope you enjoy as they have worked very hard all season

Expressing Themselves!
